

## Part 2.2: Naming the Source

In order for our report to have validity, we need to state where the data has come from. Name the source for each of the graphs. The first two have been done as examples for you.  
*Hint: Information of all of the data sources is in the appendix.*

The data used in this investigation is from the National Snow and Ice Data Center from 1990 - 2011.

The data used in this investigation is from Statistics New Zealand from 2000 - 2012.
